Subject RPD Request for SRA Support: SOW, IGCE and other documents attached

Dear Terry:

As we discussed earlier, the Radiation Protection Division is seeking contractor support for for a series of upcoming meetings related to uranium rulemakings. The statement of work, IGCE, COR Nomination Form, and Task Order Certification Form are all attached. Dates of the meetings are not yet established, but the series won't begin before mid-January.

Thanks for all your help and advice. Please let me know what I need to do next .
